MINNESOTA STREET MARKET

# Community Cookbook

---

Minnesota Street Market is teaming up with CSB/SJU Community Psychology students to create a Saint Joseph Community Cookbook and we need your help! As members of the community, we would like your input on your favorite family recipes or a recipe you'd love to share! After all, nothing brings people together like passing down a yummy recipe!

## What to include:

- Name/Family Name
- Recipe (see attachment)
- Small "about you" including: about your family/ your love for St. Joe/ your love for Minnesota Street Market/ or why this recipe is important to you
