

Minnesota Street Market

We are a member-owned co-op in St. Joseph, MN. We are a hub for locally-sourced natural and organic food, local artist wares, and education for sustainable living. We foster community connections between land, people and institutions.

Job Title

Produce Coordinator

Job Description

Provides leadership over our produce section, presenting fresh vegetables and fruits. This role is part of the management team and is involved in all facets of the co-op's operations.

Key Responsibilities

- Work with local producers and other suppliers to order the freshest vegetables and fruits available
- Engage with customers to talk about food, introduce new items and help locate items
- Take produce deliveries and inspect for quality and cleanliness
- Create engaging displays and brand-consistent shelf tags
- Prepare produce: trimming, washing, banding, packing
- Oversee restocking
- Organize and oversee product sampling so customers can experience our produce
- Provide information and recipes that empowers customers to enjoy more produce
- Train and coach staff and volunteers on produce characteristics and uses, proper handling, and restocking
- Control shrink by keeping items cold and misted, discontinuing slow moving items, sampling out items, composting, working with food bank and paying attention to expired stock and discarding outdated or spoiled items
- Ensures cleanliness of produce display area, storage area, and work area for safety

Key Characteristics

- Enthusiastic and passionate about selling fresh, local, natural vegetables and fruits
- Friendly, energetic
- Collaborative
- Comfortable working independently
- Self-motivated
- Driven to heighten customer experience and increase food knowledge
- Experienced in retail and produce handling (preferred)

Hours

Flexible hours, working a variety of shifts that include weekends. Position open immediately.
