Please answer the following questions. Voting will take place at the Annual Membership Meeting. Your answers will be summarized on the ballot to help voters make their choices.

If you would prefer, you may write a roughly 250-word statement that addresses the questions below.

1. What excites you about being a member of the Minnesota Street Market board of directors?
2. What skills and experiences would you bring to the board? What co-op issues are important to you?
3. Do you have specific goals you would like to accomplish as a board member?
4. Please describe your volunteer activities in the community, including at the co-op.
5. Any additional comments?

**Expectations:** The term of office is three years. Attendance at the monthly board meeting is expected. Board members also are expected to serve on one committee: Finance, Marketing, Events or Volunteer Committee. Committee meetings vary depending upon committee.

Directors assume office at the first meeting after the Annual Membership Meeting, where the board also sets its annual meeting schedule and elects officers. For bylaws and other information, see our web page at [mnstreetmarket.com](http://mnstreetmarket.com).
